Sup ya'll,

I am thrilled to announce that Gitcoin has joined ConsenSys.

ConsenSys shares my long-term vision for sustaining Open Source Software (OSS) without intermediaries. We're focused on web3 infrastructure first, and beyond that, in OSS in general. Together, we are experimenting with:

- Pilot Project Hypothesis #1: Tips Build Relationships
- Pilot Project Hypothesis #2: Bounties Accelerate Open Source
- Listening to Generate New Hypotheses

Read more here. Or scroll down to see funded issues you can work on _today_.

Keep Pushing Open Source Forward,
